

The logo features a central shield with a decorative border. Inside the shield, the text "N.C.C. Negril Chamber of Commerce" is written in a bold, green, sans-serif font. Below this text is a small, white outline of the island of Jamaica with the year "1983" inside it. At the bottom of the shield, a white ribbon with a green border and a dark green shadow contains the slogan "A Community in Action" in a green, serif font.

SECTION THROUGH STALL

Negril = Municipality

Roles and Functions of Municipal Corporations

Through its Political Arm (Councilors) and Administrative Arm, Municipal Corporations manage local affairs and chart local development (“the Government of the Parish or assigned area”)

Responsibilities

1. Develop, Manage and Maintain Infrastructure and Public Facilities:

parochial roads, minor water supplies, drains and gullies, parks, recreational centers, markets, abattoirs, pounds, public cemeteries, transportation centers, public sanitary conveniences, public beaches.

2. Provision of Local Services :

Poor relief/homeless, public cleansing, public health, street lighting

3. Regulation Powers

building and planning approvals and development control, licensing of trades and businesses, street parking, control of public vending.

Negril = Municipality

(continued)

4. Local Disaster Risk Management

engage in disaster preparation, mitigation and recovery, emergency management and responses

5. Coordinate Collaboration

non-governmental organizations (NGOs), community-based organizations (COBs) and government agencies which operate in the parish.

7. Support National Policies/Development Programmes

at the local level.

8. Local Sustainable Development Planning

Spearhead local sustainable development plans and initiatives for the orderly, balanced and sustainable development of the parish as a whole, and major towns in particular, and for boosting economic activity and local wealth creation within the parish.
